## Who We Are

Fermanagh Genealogy Centre is run by volunteers. It was established in 2012 and operates as a delivery partner for Fermanagh and Omagh District Council (FODC) since 2013.

## Aims And Objectives

To support the history and heritage of Fermanagh by engaging in educational and research activities with people who wish to research their family history.

## What We Do

As a genealogy delivery partner for FODC, the centre provides a free thirty minute face-to-face consultation. This signposting service is provided wholly by volunteers who give visitors assistance with their family history research. We recommend all visitors pre-book to avoid disappointment.

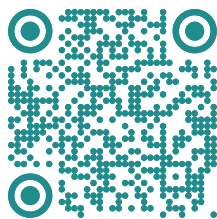

We do not currently hold any records; however, we are undertaking several transcription projects.

**Fermanagh Genealogy Centre provides an email enquiry service.**

## When We Operate

We are based at Enniskillen Castle Visitor Centre and are open for family history consultations, by appointment only. The Genealogy Centre is closed on all bank holidays and during winter months. Our family history talks usually take place on the 3rd Saturday of the month, September to May.
